

Getting Started with Accessibility Services

- Be enrolled as a student at St. Cloud Technical and Community College
- Complete the Application For Services through the Accessibility Services Web-Portal (scan below)
- Submit any Disability Documentation you have to Accessibility Services (acc@sctcc.edu)
- Schedule a Welcome Meeting with the Accessibility Services Coordinator to create an Accommodation Plan (scan below)

After the Welcome Meeting, the Accessibility Services Coordinator will send you a follow-up email with information about your various accommodations and how to implement them. **Keep this email for your records!**
- Email Accommodation Plan to **both** your Instructors and Accessibility Services (acc@sctcc.edu)
