

# NITROX

ST. CLOUD  
TECHNICAL & COMMUNITY  
COLLEGE

## ABOUT **NITRO-X**

DURING THIS 5-DAY CAMP, students entering 6-9th grade in the fall work on, paint, test, and drive radio controlled electric cars.

CAMPS are led by college and or high school instructors and mentored by a variety of industry professionals, college and high school students.

LEARN about how vehicles work, build your confidence with technical skills, work in teams to develop life and employability skills and gain exposure to industry by going on tours of local businesses and have fun showing off your skills at the end of the week with a race! The families of campers are encouraged to come and cheer them on!

## THE **DETAILS**

+ 6<sup>TH</sup> - 9<sup>TH</sup> GRADERS  
in the fall of 2023

+ JUNE 12 - 16, 2023
