

Policy S1.5 Task Force

Purpose

College-wide councils, committees, and task forces serve a critical role in SCTCC's continuous improvement. Effective continuous improvement requires that diverse voices are included in the evaluation of data and planning for the future. The primary purpose of this task force is to review College policy [S1.5, College Councils, Committees, and Task Forces](#) to ensure that the College's commitments to diversity, equity, and inclusion are upheld in the appointment of members to these representative groups. The task force may recommend other changes as deemed appropriate by consensus of the members.

Primary Responsibilities

Members will review the language of the policy and consider:
