

2024 SCTCC Women In STEM Scholarship

About Scholarship

St. Cloud Technical & Community College is excited to support women in continuing their educational journey and welcome them into pathways for a career in STEM (Science, Technology, Engineering, and Mathematics). SCTCC Foundation is pleased to offer (10) \$3,000 scholarships to women who are planning on being full-time students in one of the College's STEM Programs. Recipients would receive \$1,500 during their first year at SCTCC and \$1,500 during their second year.
