**APRIL 23-25, 2024**

at St. Cloud Technical & Community College, Customized Training  
1215 15<sup>th</sup> Street North, St. Cloud, MN 56303

**Lean Leader: Train-the-Trainer \$595**

**Tues – Thurs | 8am – 12pm**

Are you ready to revolutionize your leadership approach to continuous process improvement for yourself and your team? This curriculum will explore industry-relevant real-world tools to take your leadership skills to the next level and make a significant impact in your personal and professional journey. Become a trailblazer by cultivating vital “soft skills” essential for success in your professional field, while strengthening and empowering the team around you.

**Lean Principles: Train-the-Trainer \$595**

**Tues – Thurs | 12:30pm – 4:30pm**

Equip yourself with indispensable manufacturing principles through our Lean Principles in Manufacturing course. This program goes beyond theory, providing practical applications that empower you to lead with efficiency and effectiveness. Our program is thoughtfully designed to nurture your leadership abilities, enabling you to make informed decisions and drive positive change within your team. Get ready to embark on a transformative experience that will leave you equipped, inspired, and ready to make a difference.

## Lean Train-the-Trainer Curriculum

The Minnesota State Engineering Center of Excellence, in collaboration with Anoka Technical College's Professional Workforce Training department and Organizational Partners, LLC developed the Lean Train-the-Trainer curriculum. This innovative training program was built for education & industry professionals.

## St. Cloud Technical & Community College Customized Training

The Customized Training division of St. Cloud Technical & Community College strives to strengthen the region by helping to advance the skills of the area workforce. The team partners with business, industry, nonprofit, and government organizations to assess needs and implement customized training solutions to support organizational growth, productivity, and employee attraction, retention, and development.
